### Corporate Sponsors Needed for AIDS Walk Team

Chicago House is calling on you to help us raise \$25,000 through the AIDS Walk in Chicago. EVERY dollar we raise goes directly to Chicago House programs and services.

*Here's how you can help us reach our goal:*

- 1.) Sponsor a Chicago House resident or residents
- 2.) Find a T-shirt sponsor to help cover costs of printing

- 3.) Organize a community team by contacting employers, co-workers, church groups, and student organizations
- 4.) Sponsor a walker or simply donate by [clicking here!](#)

The AIDS Walk is one of the easiest and most effective ways to raise funds for our programs and services. If you have a corporate contact that wishes to donate to the Chicago House team, please let us know! Call (773) 248-5200 x303 for more information.

### Ten Years Working at Chicago House: Kiki Dorn and Judy Perloff

How much has Chicago House changed since the beginning of the decade? Just ask Kiki Dorn, Director of Finance & Administration, or Judy Perloff, Program Director. Both directors are celebrating their tenth year working for Chicago House. Kiki, an English Literature major in college, crunches numbers and balances the critical program budgets while fostering a healthy work environment with her caring personality. Judy tirelessly works to increase the effectiveness of programs at Chicago House by working closely with program managers, clients, and other key staff. "We've really expanded our services over the past 10 years to reflect the changing needs of people who are living longer with HIV by creating scattered site housing, innovative employment programs, and integrating social enterprise projects like [Sweet Miss Giving's](#)," said Judy. "I'd love to see [Sweet Miss Giving's](#) grow and provide even more opportunities for interns at the bakery and have our own retail location in the future." Chicago House is fortunate to have such hardworking, loyal, and inspirational directors like Kiki and Judy!
